

## Day Nine

### **Mike Hawkins**

Cllr Hawkins read from a statement. His main points were:

Westbury Town Council voted not to oppose the Eastern route.

The health and wellbeing of residents living along the present route of the A350 outweighs environmental considerations.

The claim that bypass would ruin view of White Horse is unfounded.

Most opponents of the scheme from are from outside Westbury.

Many members of the A350 corridor alliance appear to favour a Western route, yet the literature of the group indicates complete opposition to all 'road improvements' from the M4 to the South Coast.

The present scheme offers the only realistic chance of relieving Westbury's traffic problems.
